Dance for Life – KIDS Dancesport RVA

Dear DanceSport Families,

It is so exciting to plan out this month of dancing in our very own studio! I hope that you are enjoying our new space as much as I am, and thank you again for your patience during the transition to the greatest ballroom studio in Richmond – The Ballroom Club!

We have a great month of dancing planned for you! First, we have added a new class to our schedule specifically for beginners, ages 8-16. If you have friends who are interested in trying a free group class, please have them contact me!

In addition, Alan Dixon will be in town on Sunday, May 12. He will be available for private lessons, so please let me know if you are interested. It is not yet determined if time allows for an additional group lesson, but I will let you know.

Also planned for the end of May will be our Spring Party! Time and date are yet to be determined, but I will let you know very soon.

And finally, early bird registration for our upcoming competition, the Atlantic DanceSport Challenge (June 8), ends on May 9. Please check with me if you have any questions about the registration process.

All the best,

Mariya
